

# Summer Camp at Armonk Tennis Club

## Text Messaging Opt-In

It is imperative that camp management be able to communicate as quickly as possible with all parents/guardians should there be a suspected or confirmed case of COVID-19, or any other urgent matter. Therefore, we are requesting permission to send text messages to your cellphone. These messages will be important notifications only and not used for marketing purposes.

### ACKNOWLEDGEMENT OF TEXT MESSAGING OPT-IN

I, the camper's parent and/or legal guardian, give Armonk Tennis Club permission to send text messages to the cellphone number(s) listed on my child's camp enrollment form.
